

A Glimpse of Bạch Hồ Troop 243

Bạch Hồ Troop 243 was established in Happy Valley, Oregon, on March 10, 2024. In April 2026, Bạch Hồ became a family troop dedicated to supporting youth of all genders, ages 5–17. Our mission is to provide young people with opportunities for well-rounded growth and personal development. Through Scouting, we help youth build practical life skills, develop strong character, and gain the confidence and values they need to become responsible and capable individuals.

More than simply learning outdoor and life skills, our Scouts become part of a supportive community where they can make friends, challenge themselves, discover new interests, and grow into confident leaders.

Our Scouts in Action

Our Guiding Values

Bạch Hồ Troop is guided by three important principles: honesty, integrity, and a commitment to living by the values and principles of Scouting. These core values guide our activities and help shape the character of every Scout.

1. Honesty

We encourage our Scouts to tell the truth and act honestly in every situation. Honesty is more than simply telling the truth—it means being sincere, trustworthy, and transparent in our words and actions.

2. Integrity

Integrity means being trustworthy and doing what is right, even when no one is watching. Bạch Hổ Troop values strong and respectful relationships among our members and encourages a culture in which Scouts support, respect, and look out for one another.

3. Living by the Principles of Scouting

The principles and values of Scouting serve as a guide for everything we do. Scouts are encouraged to put these principles into practice in their daily lives—from helping others and respecting nature to taking responsibility for their own personal growth and development.

Our Goals

The goal of Bạch Hổ Troop is to help young people grow into responsible citizens, confident individuals, and future leaders. Through a variety of Scouting experiences—including camping, community service, outdoor adventures, and practical skill-building—we strive to help our Scouts:

- Develop essential life and practical skills.
- Build confidence, independence, and leadership abilities.
- Form strong, positive, and lasting friendships.
- Learn responsibility and the importance of serving and giving back to the community.
- Develop resilience, teamwork, and a lifelong appreciation for the outdoors.

What We Do

Bạch Hổ Troop offers a variety of meaningful, educational, and enjoyable activities designed to help Scouts learn, grow, build friendships, and have fun.

Camping & Outdoor Adventures

Scouts have opportunities to experience the outdoors, learn practical camping and survival skills, explore nature, and build teamwork through shared adventures and challenges.

Community Service

We encourage our Scouts to make a positive difference by participating in service projects and community activities. Through service, Scouts learn compassion, responsibility, and the importance of helping others.

Life Skills & Personal Development

Our program provides opportunities for Scouts to develop practical life skills, leadership abilities, teamwork, communication, and other valuable skills that will benefit them throughout their lives.
